

The caring support that
people turn to and count on

Join our Board of Directors

ONE CARE Home & Community Support Services is a respected non-profit community agency, providing in-home and community services in Huron and Perth Counties. ONE CARE serves close to 5,000 people each year. Our 300 staff and 1,000 volunteers provide a full range of services that enable people to enjoy a good quality of life as they age at home.

ONE CARE is seeking volunteer Board Directors to support and guide the organization with a focus on strategic planning, quality and accountability. Directors on this governance board are responsible for: developing policy; making decisions about the agency's future including its strategic plan; monitoring quality and financial performance; and fundraising.

Applicants must understand the Huron and Perth community and the health needs of residents, and have a strong commitment to the ONE CARE mission, vision and values. We are seeking people with experience on non-profit boards and a variety of perspectives that would be valuable to the board in carrying out its role such as knowledge of finance, business and quality. We are particularly interested in applicants who have experience with fundraising. People receiving ONE CARE services and caregivers for people receiving services are welcome to apply.

Please send your expression of interest and resume to:
Kathy Scanlon, Executive Director
