

JOB POSTING

Personal Support Worker (PSW)

We are currently hiring certified PSWs to provide care for clients that reside in Huron and Perth Counties.

Personal Support Workers are key members of our care team. With ONE CARE you can:

- work proudly for a local organization rooted in our community for over 40 years
- use your skills and expand your knowledge
- expect flexible scheduling and hours
- be part of a team that delivers high quality, friendly and compassionate care
- be involved in a growing service that provides a range of programs and developmental opportunities
- experience a supportive work environment that listens to you

PSW Position Overview: Within a residential setting the PSW works closely with clients residing in the Huron and Perth area to provide individualized, flexible daily living supports. Service is delivered in the client's home where PSWs are required to work alone and provide care independently, and to develop goals with the client that support their ability to live independently.

ONE CARE offers:

- Regularly scheduled shifts
- Full time, part time and casual
- Applicable benefits coverage
- Paid travel time
- Professional development and mentoring

Requirements:

- PSW/HCA/HSW Certificate or DSW diploma
- A valid driver's license and access to a vehicle
- Availability to work days, evenings, and weekends
- Ability to work independently as well as part of a team
- Ability to provide current Vulnerable Persons check

Come and join our team!

To apply, please send a cover letter and resume to recruitingservices@onecaresupport.ca

While we appreciate your interest, only those selected for interviews will be contacted.

One Care Home & Community Support Services

ONE CARE is a multi-service and recognized leader which provides home and community services to support and strengthen the health and independence of our clients. We are respected for our friendly, quality and accessible community services in the Huron Perth region and surrounding communities. ONE CARE operates an integrated, client focused model of services that provides seamless transition between distinct programs, innovations in service delivery, significant volunteer leadership as well as collaborations directed towards building sustainable collaborative relationships while meeting the needs of our clients and their families.

Our programs provide many ways to help seniors and people with disabilities continue to live independently at home, and include In-Home Personal Care, Assisted Living, Adult Day Programs, Home Help, Meals on Wheels, EasyRide Transportation, Reassurance, Home At Last, Exercise & Wellness, Foot Care.
