CLIENT LETTER

We received a heartfelt letter from a client expressing her gratitude for our meals.

She says, "I wonder if you realize what a blessing your Meals on Wheels food is to older people. As I am nearly 80 years old I find it very difficult to get outdoors, especially in the winter. For the past year I have been getting your food 2 or 3 times a week and it makes a big difference. For one person it is hard to keep fresh food; plus your meals give me so much variety. Since I have been enjoying your meals I feel much better physically and mentally. Just the fact that they are delivered makes me feel that someone cares."

Apetito Canada Ltd.
Brampton, Ontario

Dear Friends:

I wonder if you realise what a blessing your Meals-on Wheels food is to older people. As I am nearly 80 years old I find it very difficult to get outdoors, especially in winter. For the past year I have been getting your food 2 or 3 times a week and it makes a big difference. At my age I really only want one big meal a day and for one person it is hard to buy and keep fresh food; plus your meals give me so much variety. I don't eat a great many sweets, so I think your desserts are wonderful.

Since I have been enjoying your meals I feel much better both physically and mentally. Just the fact that they are delivered makes me feel that someone cares.

Thanks again for all your hard work in preparing this food and I wish you all the best of health and happiness.

Sincerely,

Evelyn Stagg
