Trillium ROOTS donates to ONE CARE Home & Community Support Services

The ROOTS Community Fund is pleased to support ONE CARE Home & Community Support Services in the amount of \$2,500.00. This organization provides home and community services that support and strengthen the health, independence and quality of life for individuals and their families. ROOTS funding has been put towards equipment for the facility.

The Trillium ROOTS Community Fund was established by Trillium Mutual Insurance Company in Listowel, to administer the company's philanthropy program. Through ROOTS, Trillium continues to provide meaningful financial assistance and support to rural communities in which its policyholder members live and serve. The Trillium Board of Directors has approved \$162,000.00 which will be available for capital projects in 2018 with funding focus in the areas of Healthcare, Recreation & Wellness, Emergency Response, Agricultural and Eco/Sustainability. The next deadline date for applications is November 23, 2018.
