1. Gather your Crew & Connect with Us!

When you contact us we can help your team choose a float theme. It can be simple, or vibrant! We will help get your team registered on the challenge board and give you more information about how to easily fundraise for us.

2. Take a Team Photo!

Send us a great team photo or a short video (4 seconds max). Your team can be walking, running, biking, or just enjoying time together on you patio. Your photo or video will be put together with other 'floats' to make a virtual parade.

3. Spread the Joy!

We will tag and share your team photo on the ONE CARE Facebook page, and you can share it to your followers too! Ask 5 and challenge 2: Ask 5 people to support your team by donating through your team page! Challenge two people to enter a float of their own! Watch for a preview of the parade on our Facebook page September 19th and we will air the full parade for everyone to watch at the end of the month!
