

Leaving your legacy with ONE CARE

Donate to ONE CARE and help to make someone's life better and our community stronger. An aging population and more people living with chronic conditions means more need for the support and specialized services that ONE CARE delivers. We play a vital role in the health and quality of life for clients throughout Huron and Perth counties, and provide peace of mind for caregivers.

Thoughtful Giving Options

- ✿ **Bequests**
- ✿ **Endowment Funds**
- ✿ **Life Insurance Policies**
- ✿ **Retirement Funds**
- ✿ **Charitable Remainder Trusts**
- ✿ **Gifts of Real Estate**

One of the most important choices you can make during your lifetime, is the long-lasting impact you wish to leave on others. Your gift will change lives by improving the quality of life of seniors and individuals with health challenges living in your community.

Contact your financial advisor to discuss what options suit your individual situation.

The net proceeds from all gifts and fundraising events for ONE CARE are directed towards clients in need of financial subsidy, as well as the purchase and maintenance of essential program equipment and facilities.

Some of our services are covered through funding, but in other cases we need to charge fees. ONE CARE uses funds from donations to provide services at a lesser cost to clients who have financial barriers. Otherwise clients may not be able to afford the services they need.

ONE CARE uses funds from donations to purchase and maintain the equipment and facilities that are vital to our programs, and for which we do not receive regular funding. Our largest expense is the maintenance of our fleet of accessible vehicles.

I would like to thank you and your staff for the exemplary care my mother received over the years. Without ONE CARE she definitely would not have been able to stay in her home. Although she is finally at peace, I will continue to donate to your organization annually. Thank you for being there for her.
